When "I" is replaced with "we," even illness becomes wellness.

- MALCOLM X

2 NEW WORKSHOPS TO EMPOWER & BUILD RESILIENCE

LEARN MORE & BOOK NOW AT WWW.LAEP.ORG/CORE-WORKSHOP

**Restore with CORE - Educating & Thriving Through a Crisis**

Participants will:

- Understand how their personal responses to uncertain times in the global community - COVID-19 and racism - impact their well-being and the climate of a school community.

- Explore strategies that promote individual and collective well-being during the pandemic.

- Apply their new learning immediately to encourage safe professional and personal behaviors during the pandemic.

**CORE Equity - Racial Healing & Well-Being in Schools**

Participants will:

- Understand how their power and privilege as it relates to their identity impacts their well-being.

- Understand how their power and privilege as it relates to their role impact the climate of a school community.

- Explore strategies that promote individual and collective racial healing and well-being.

CORE IS CREATED FOR TEACHERS BY TEACHERS.
